"Live" edge

Cut edge with round over

All cabinets are available in your choice of "live" edge or cut edge with round over at no extra charge. Please specify edge choice when ordering.

All drawers are solid poplar dovetailed and full extension drawer glides.

Please allow 6-8 weeks for manufacturing on standard furniture. (Special orders allow a few extra weeks.)

The rustic wood we select has natural knots, superficial cracks and patterns as part of the rustic log style. However, if any of these imperfections affect the stability of your furniture, we will repair or replace it.

The background of the image consists of horizontal wooden planks, likely from a log cabin, showing natural wood grain and knots. The planks are arranged in a slightly staggered fashion. In the lower center, there is a logo with a light green background and a dark brown border. The logo contains the text 'SimonPureAmish.com' in a white serif font, underlined, and 'Log Furniture' in a large, bold, dark brown serif font, also underlined.
